#### PROROGATION OF THE LEGISLATIVE ASSEMBLY

TORONTO, September 27th, 1951.

The Fourth Session of the twenty-third Parliament of the Legislative Assembly of Ontario was prorogued at 4.12 p.m., Thursday, September 27th, 1951. The Honourable the Lieutenant-Governor of the Province entered the Legislative Chamber and took his seat on the Throne.

Mr. Speaker addressed His Honour in the following words:

*May it please Your Honour:*

"The Legislative Assembly of the Province has at its present Sittings thereof passed two Bills to which, in the name and on behalf of the said Legislative Assembly, I respectfully request Your Honour's Assent."

The Clerk Assistant then read the titles of the Bills that had passed as follows:

"The following are the Titles of the Bills to which Your Honour's Assent is prayed:—

Bill No. 1, An Act respecting Old Age Assistance.

Bill No. 2, An Act respecting Allowances for Blind Persons.

To these Acts the Royal Assent was announced by the Clerk of the Legislative Assembly in the following words:—

"In His Majesty's name, the Honourable the Lieutenant-Governor doth assent to these Bills."

The Honourable the Lieutenant-Governor was then pleased to deliver the following gracious speech:

*Mr. Speaker and Members of the Legislative Assembly:*

It is my duty to prorogue this special session of the Twenty-third Legislature of the Province of On-

tario. I wish to thank you in the name of His Majesty for your loyal attention to the business of the people of this Province.

We again pray that His Majesty, The King, will be restored to health and long spared. It is gratifying to learn that his condition is improving, and, with all of his loyal subjects, we hope fervently that he will pass successfully the imminent critical stage of his illness. Our sympathy and affection go to all members of the Royal Family and we pray that they may be spared, so far as can be, the great anxieties of their high public office.

During this special session you have passed two measures of great significance to the well-being and security of our people. Under these measures my Government may now enter into formal agreements with the Government of Canada which will provide financial assistance to those of our citizens between the ages of sixty-five and seventy years who require it. A new form of assistance in co-operation with the Government of Canada will become available to those persons afflicted with blindness, between the ages of twenty-one and sixty-five years who may be facing difficult financial problems.

These two measures implement decisions arrived at by the Federal and Provincial Governments in a spirit which recognizes, and amplifies, the conception of unity of purpose within all of the people of Canada. These measures become an integral part, with the universal old age pension, of a great programme of national security.

Provision has also been made for the appropriation of public funds for the purposes of these measures, for which I express my thanks.

May I thank you also for your loyal service to our people and I am confident that under the guidance of Divine Providence the security of the people of this Province, and indeed of the people of the whole of Canada, will be strengthened.

The Provincial Secretary then said:—

*Mr. Speaker and Gentlemen of the Legislative Assembly:—*

It is the will and pleasure of the Honourable the Lieutenant-Governor that this Legislative Assembly be prorogued and this Legislative Assembly is accordingly prorogued.

## BALLOT BOXES

23. The commissioned officer shall at the place or premises at which Active Service voters are to cast their votes and before any votes have been cast, show the ballot box to such persons as are there present, so that they may see that it is empty, and he shall then lock or seal the box, and place his seal upon it in such manner as to prevent its being opened without breaking the seal, and he shall then place and shall keep the box on a desk, counter or table or otherwise so that it is raised above the floor in full view of all present and shall keep the box so closed and sealed.

24. The ballot box shall not be opened after the opening of the poll until it is returned to and opened by the special returning officer.

25. On adjourning the poll each day and at the close of the poll the commissioned officer shall affix his seal to the ballot box in such manner that a ballot cannot be deposited in it without breaking the seal or seals.

## PROCEDURE ON VOTING

26. Before delivering a ballot paper to an Active Service voter, the commissioned officer before whom the vote is to be cast shall require such voter to make a declaration in Form No. 6 of these Regulations, such declaration to state the Active Service voter's full name and rank, that he is a British subject, has not previously voted at the pending general election, and the name of the city, town or village, with street address, if any, or other place in the province of Ontario, wherein he was ordinarily residing prior to his enrolment or re-enrolment on Active Service. The name of the electoral district in which such place of residence is situated shall also be stated in the space provided for that purpose. The commissioned officer shall cause the Active Service voter to affix his signature to the said declaration, and the certificate printed thereunder shall then be completed and signed by the commissioned officer.

27. After the declaration has been completed and signed by the Active Service voter and the certificate thereunder has been completed and signed by the commissioned officer, as prescribed in the next preceding paragraph, the commissioned officer shall print or write the name of the electoral district designated in the declaration in Form No. 6 of these Regulations in the space provided for that purpose on the back of a ballot paper and hand it to the voter, who shall cast his vote secretly by writing on the front thereof, in ink or with a pencil of any colour, the name (or initials) and surname of the candidate of his choice. The ballot paper shall then be folded by the Active Service voter. When this has been done, the voter shall hand the ballot paper to the commissioned officer, who shall, in full view of the Active Service voter, place it in the ballot box.

28.(1) A commissioned officer before whom Active Service voters have cast their votes may cast his own vote after completing the declaration in Form No. 6 of these Regulations. In such case it shall not be necessary for the commissioned officer to complete the certificate printed at the foot of such declaration.

(2) Special returning officers and scrutineers shall be entitled to vote in the same manner as Active Service voters if qualified to vote at a general election held in the province of Ontario.

(3) For the purpose of this paragraph, the special returning officer and his chief assistant may act in the capacity of a commissioned officer designated, as herein prescribed to take the votes of special returning officers and scrutineers.

29.(1) An Active Service voter who, when casting his vote, has inadvertently dealt with a ballot paper in such manner that it cannot be used, shall return it

to the commissioned officer, who shall deface it and deliver another in its place. All ballot papers thus defaced shall be classified as spoiled ballot papers, and when the voting is complete, shall be parcelled and transmitted to the commanding officer, together with the ballot box, all declarations completed by Active Service voters and unused ballot papers.

(2) The commissioned officer shall forthwith upon the close of the poll transmit to the commanding officer and the commanding officer shall forthwith transmit to the appropriate special returning officer the locked or sealed ballot box containing the votes cast by Active Service voters, all spoiled ballot papers, declarations made by Active Service voters and unused ballot papers received from commissioned officers and all such ballot boxes shall be received by the special returning officers not later than 10 P.M. on Thursday, November 29th, 1951.

30. If an Active Service voter is unable to read or write, or is incapacitated from any physical cause, and therefore unable to vote in the manner prescribed in these Regulations, the commissioned officer before whom the vote is to be cast, shall assist such elector by marking the ballot paper in the manner directed by the elector, in his presence and in the presence of another Active Service voter who is able to read and write. Such other voter shall be selected by the incapacitated Active Service voter.

31. An Active Service voter who is absent from his unit, on leave or on furlough, during the voting period prescribed by paragraph 14 (1) of these Regulations, and who has not already voted at the pending general election, may, on production of documentary proof that he is on leave or furlough, cast his vote elsewhere before any commissioned officer designated to take the votes of Active Service voters by the Commanding Officer of a Canadian Naval, Military or Air Unit, when such commissioned officer is actually engaged in the taking of such votes.

32. No person shall be entitled, because of anything in these Regulations contained, to vote more than once at a general election.

## PROCEDURE TO BE FOLLOWED AT THE RECEIVING AND SORTING OF THE VOTES CAST BY ACTIVE SERVICE VOTERS

33. Every operation relating to the receiving and opening of ballot boxes and the sorting to the proper electoral districts of ballot papers marked by Active Service voters shall be conducted under the supervision of the special returning officer or his chief assistant assisted by the scrutineers.

## PROCEDURE TO BE FOLLOWED IN THE COUNTING OF THE VOTES CAST BY ACTIVE SERVICE VOTERS

34. As soon as possible after the close of the polls the special returning officer shall cause the actual counting of the votes cast by Active Service voters to be commenced. Such counting shall be carried on with all possible despatch.

35. Every operation relating to the counting of the votes shall be carried out with the assistance and co-operation of the scrutineers.

36. The ballot papers and declarations in Form No. 6 shall be sorted by electoral districts and checked against each other. If the number of ballot papers does not correspond with the number of declarations, for any electoral district, the special returning officer and the scrutineers shall make a joint report which shall be transmitted to the Chief Election Officer with the other documents relating to the Active Service vote.

37. The votes cast for each candidate shall be counted and a statement of the count in Form No. 7 shall be completed and signed by the special returning

officer and the scrutineers. The scrutineers may take copies of this statement. The ballot papers for each candidate shall then be placed in a separate envelope.

38. Subject to the provisions of paragraph 39 of these Regulations, a ballot paper marked for a candidate shall be counted for such candidate if he has been nominated in the electoral district of which the name has been written on the back of the ballot paper and to which such ballot paper has been attributed.

39.(1) In the counting of the votes all ballot papers shall be rejected

- (a) which do not appear to have been supplied by the special returning officer; or
- (b) which have not been marked with the name of any candidate; or
- (c) which have been marked for more than one candidate; or
- (d) which have been marked with the name of a person who has not been nominated as a candidate in the electoral district to which the ballot paper has been attributed; or
- (e) upon which the Active Service voter appears to have intentionally made a mark by which he might afterwards be identified.

(2) No ballot paper shall be rejected if, in addition to the names and surname of the candidate of his choice, an Active Service voter has written on such ballot paper any of the designating letters indicating the political affiliation of the candidate.

(3) No ballot paper shall be rejected for uncertainty as to the candidate intended to be voted for, if it is possible to ascertain with a reasonable degree of certainty, for which candidate the Active Service voter intended to vote.

40. After the counting of the ballot papers attributed to an electoral district is complete, all rejected ballot papers shall be placed in a separate envelope with the necessary details written thereon.

41. The declarations made by Active Service voters in Form No. 6 of these Regulations, the envelopes containing the ballot papers counted for each candidate, and the envelope containing ballot papers rejected during the count, relating to each individual electoral district, shall be parcelled together with the name of such electoral district plainly written on the parcel. There shall be no poll book kept at the counting of the votes, and the declarations (Form No. 6) themselves shall constitute the official record of the votes cast by Active Service voters. The procedure prescribed in this and the preceding paragraphs relating to the counting of the votes cast by Active Service voters shall be repeated in the case of every electoral district.

#### FINAL DUTIES

42. Immediately after the counting of the votes cast by Active Service voters has been completed for every electoral district, each special returning officer shall forthwith deliver or transmit to the Chief Election Officer, the following parcels and documents:

"2. The affairs of the Company shall be managed by a board of seven directors, each of whom at the time of his election and throughout his term of office shall be a shareholder in the Company to the amount of at least one fully paid common share without nominal or par value.

"Each director shall be elected to hold office until the first annual meeting after he shall have been elected and until his successor shall have been duly elected and qualified. A director who has accepted such office shall continue in such office until the next annual meeting and thereafter until his successor is appointed or elected unless in the meantime he shall have resigned, become incapable of performing his duties or been validly removed from such office. A director who has made an assignment or been adjudged bankrupt or who has been convicted of any offence under the Criminal Code shall ipso facto vacate his office and a director who has become insane or of unsound mind or who by reason of physical or mental infirmity has become unable to discharge his duties may be removed from the Board by resolution of the shareholders at a meeting of which notice has been given of the intention to remove such director. A director may resign at any time by sending his resignation in writing by registered mail addressed to the President or Secretary of the Company, and in the absence of either of such officers, to the Board of Directors of the Company at its head office, and such resignation shall take effect one week after the deposit of the same into the custody of the post office notwithstanding that it shall not have been considered or accepted by the Board in the meantime or it shall take effect at such earlier date as the Board may accept such resignation.

"The whole Board shall be elected at each annual meeting, but shall be eligible for re-election if otherwise qualified. The election may be by a show of hands unless a ballot be demanded by any shareholder.

"Provided always that any director or directors may, at any time, without cause be removed from office at a special general meeting of shareholders called for the purpose and another or others appointed in his or their stead, the person or persons so appointed to hold office until the next annual meeting of shareholders at which directors are elected.

"3. A majority of the directors shall constitute a quorum.

"Directors' meetings may be held at any place and no formal notice shall be necessary if all the Directors are present or if those absent have signified their consent to such meetings and their inability to attend, or approve or signify their approval in writing to the meeting proceeding in their absence and to the proceedings taken at any meeting. Directors' meetings may be formally called by the President or by the Secretary on the direction of any director. Notice of such meetings shall be delivered personally or mailed or telegraphed to each Director not less than ten days before the meeting is to take place.

"The Board may appoint a day or days in any month or months for a regular meeting, at any hour and place to be named and of such regular meetings no notice need be sent.

"A meeting of newly-appointed directors shall be held forthwith after the annual or any other meeting of shareholders at which directors are elected for the purpose of electing a President and Vice President and appointing officers and transacting such other business as may be necessary or desirable and no notice of such meeting shall be required.

"As long as a quorum of directors remains in office, vacancies in the Board of Directors, however

caused, may be filled by the remaining directors for the balance of the unexpired term if they shall see fit to do so, otherwise such vacancy shall be filled at the next annual meeting of the shareholders at which the directors for the ensuing year are elected. If the number of directors is increased between terms a vacancy or vacancies to the number of the authorized increase shall thereby be deemed to have occurred, which may be filled in the manner above provided."
